

Grow and Share the Harvest

COMMUNITY FOOD INITIATIVES

2023 - 2024

AMERICORPS VISTA

AmeriCorps

Join an amazing team working for a resilient region where everyone has access to an equitable, inclusive, thriving local food system.

Duration: 06/05/2023-06/05/2024 | **Hours:** 35-40 hours per week

Purpose/objective: Increase access to fresh and healthy foods for low-income individuals by supporting sustainable expansion of CFI's successful local food access programs

Skills/interests: Community outreach and engagement; resource development; online media; food access; grant writing

Essential duties & activities:

- Outreach/engagement: Support new program partnerships with organizations in adjoining counties to increase access to fresh, healthy food for low-income residents
- Resource development: Develop program toolkits and/or training manuals for three (3) CFI programs
- Food access: Support CFI in becoming a SNAP recipient sight; support development of SNAP educational materials

Benefits:

Serve your community, professional development, bi-weekly living allowance, flexible schedule, education award, health care stipend, be part of an AMAZING team! :)
